1994 Sport Jet 90 Engine

The 90 sport jet (with the 120 horse powerhead) is now pretty much orphaned. There are some parts out there for them but they certainly are not actively supporting them anymore. Additionally, Merc now only makes one "sport jet" that resembles the style you have - it's a 200 horse model built with an Optimax (direct injected 2 stroke) powerhead.

Re: 1994 Mercury Sport Jet 90 - bad ignition parts Answer to Part I: No. Don't replace all your old components. It's all solid state and will either function or not. I used to be skeptical of this, too. However, with the exception of the original black stator, the switchboxes and other electronics are basically OK.
