The legality of Library Genesis has been in question since 2015 because it allegedly grants access to pirated copies of books and paywalled articles, but the site remains standing and open to the public.

### A Time Of Myths Chris

This is a novel by an author who thinks he has an interesting story to tell, and no-one has disabused him of that notion. A Time of Myths is tedious beyond belief. The writing is dire. The storyline is plotted-by-numbers.
