In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

Advanced Accounting (9th Edition) (Advanced Accounting) This is a horribly written book. The answers to the exercises are really hard to find in the text. A book should not involve a deep thought process, as that should be saved for the exams. I don't think the author matched well with his questions and what he or she wrote in the book.
