iPhone and iPad user guides I have not yet read these although I would really like to. The reason I did not give it more than two stars was because I couldn't find a price anywhere and I did see an ad for it that said it was free but it doesn't know if they're on the actual item so it said the item had been paid because it automatically went to my Apple Pay.

Apple began making Qi wireless charging iPhones starting with the iPhone 8. Older iPhones are not compatible, and should be charged using the USB port. If you have an Android device, check the owner's manual to verify that it is Qi wireless compatible. Make sure to place your Qi compatible device face up on the charging pad.
