Between Two World Wars (Food & Feasts): Steele, Philip ...

Growing up in Italy in the 1960s, World War II was quite remote to me. Although I was not fully aware of it, the country was experiencing its "economic miracle:" a few years of rapid and sustained growth that saw the movement of millions of people from the south to the north, from the interior to the coasts, and from the countryside to the cities where new industrial jobs had become available.

Tales of Hunger: Food in Italy Between the Two World Wars ...

Some brand items were more available than others. Kraft Macaroni and Cheese was a really popular option for meat and dairy products, and 80 million boxes were sold in 1943. According to Smithsonian Mag, "With rationing in effect during World War II, the boxed mix continued to gain in popularity; staples such as fresh meat and dairy were in short supply."
