History Of The Supreme Court

The Supreme Court of the United States is the only court specifically established by the Constitution of the United States, implemented in 1789; under the Judiciary Act of 1789, the Court was to be composed of six members—though the number of justices has been nine for most of its history, this number is set by Congress, not the Constitution. The court convened for the first time on February 2, 1790.
