It is simple to divide the scripture speaking of the church which is one body, from the nation which has twelve tribes. The church of the one body does not have twelve tribes. Where the twelve tribes are found in your Bible, it is speaking about God working through Israel.

The Church Does Not Have Twelve Tribes

This one church (out of 300,000 churches in the country) accounted for about one-third of the total in the NY Times article. To be clear, every case matters—every life matters.
