Started in 1999, the goal of The Manual Project is to scan as many US video game manuals as possible. Once scanned they are posted here so that everyone may read them. To date over 400 NES and SNES manuals have been scanned and posted, and the project is now expanded to include works from other sites.

Ever since the idea of hosting Genesis covers was put forth in a different section of this site, I've kind of wondered why there was no thread made for such requests. When the M.U.S.H.A. cover/manual thread came along, it basically put the idea in my head more firmly. So... In this thread, you can request manual PDFs and Genesis/MegaDrive cover art scans.
