The Historic Imaginary Politics Of

Focusing on both ritual and mass-visual representations of history in 1920s and 1930s Italy, The Historic Imaginary unveils how Italian Fascism sought to institutionalize a modernist culture of history. The study takes a new historicist and microhistorical approach to cultural-intellectual history, integrating theoretical tools of analysis acquired from visual-cultural studies, art history, linguistics, and reception theory in a sophisticated examination of visual modes of historical ...
