The Other Tongue English Across

The Other Tongue is a prophetic book, but not after the manner of Cassandra. Its prophecies have been heard as well as fulfilled. The study of English as an international language, now well established around the world, is due in no small measure to the influence of this book and the associated work of Braj Kachru.

The Other Tongue English across Cultures. When The Other Tongue appeared in 1982, it was called "required reading for all those concerned with English teaching in non-native situations, from the classroom teacher to thepolicy planner")Jowhn Platt, English World-Wide) and "an extremely useful and stimulating collection" (William C. Ritchie, Language). It introduced refreshingly new perspectives for understanding the spread and functions of English around the world.
