Some strategy guides are vague and are a waste of money. They leave a gamer wondering where exactly to find an item or a location, learn a certain ability, or how to defeat an enemy. The Xenogears Strategy Guide blew these flawed strategy guides out of the water and proved that there are guides with all the answers to your questions!

Xenosaga Episode I: Der Wille zur Macht FAQs, Walkthroughs ...

Xenogears is my favorite game of all time, and this players guide is great too. This is what all strategy guides should be like. It doesn't tell you anything that happens in the plot, give you directions to follow the compass, not loads of maps to follow, and tells you what level you should be at the area.

Amazon.com: Customer reviews: Xenogears Official Strategy ...

Xenogears is a role-playing video game developed and published by Square for the PlayStation video game console. The debut entry in the larger Xeno franchise, it was released in Japan in February 1998, and in North America in October the same year. The gameplay of Xenogears revolves around navigating 3D environments both on-foot and using humanoid mecha dubbed "Gears".
